The DataPlus DashBoard allows Practice Managers to see up to 9 Key Practice Indicators on one page, such as:

- Charges and Net Collections by Month (rolling 13 months)
- Aged Accounts Receivable
- Payments by Month (rolling 13 months)
- Office Encounters
- Point-of-Service Payments (rolling 13 months)
- Surgical Encounters
- Missed Copayments
- Payor Mix
- Charge Entry Lag Time
- AR Days

The DataPlus Dashboard also features goal setting for each field – and comes loaded with MGMA benchmarks for several key items including AR days and percentage of AR over 120 days. For example, if your AR days are 60 or below, your data shows in green, or if your AR days are over 60, it shows in red. The goals change colors as you choose different fields, such as providers or locations. You can easily create your own goals for any Key Practice Indicator!

Like all CustomPlus reports, the DataPlus Dashboard is manipulated by just pointing and clicking – instantly showing your data by physician, location, date, and more.

For more information on DataPlus Dashboard and other DataPlus products, including on-line video demos, please visit our website at [www.mydataplus.com](http://www.mydataplus.com), or call the toll-free number below for your personal demonstration!
